CAT Adoption Questionnaire

*At the East Bay SPCA, we are committed to finding appropriate lifelong homes for shelter animals. We ask adopters to make the same commitment to the animals they adopt. Please take time to answer the questions below so that we can help you adopt the animal best for you. While we always make every effort to work with you to address concerns or find the most appropriate companion animal, we do reserve the right to refuse an adoption. **Adopters must: 1) be at least 18 years of age 2) have legal photo identification 3) be able to have a pet at your address 4) pay the adoption fee***

How do you feel about de-clawing? _____

How would you respond if your animal demonstrated behavior you did not desire? _____

Is there anything else you would like us to know, or may have concerns about? _____

Our average cost to shelter an animal is \$700—and much more for long-term animals. Since that is more than our adoption fees, we rely on individual donations to close the gap. **Would you like to donate to the East Bay SPCA?**

If Yes, How much? _____ *Thank you for your donation to help ensure healthy, happy lives for East Bay animals.*

I certify that the above information is true and correct to the best of my knowledge. I understand that any false information may result in nullifying the adoption.

Kitten Matchmaking Survey

The Matchmaking survey is a handy guide to help us find the perfect kitten match for you!

Please complete the questions below if you are interested in adding a kitten to your family. An East Bay SPCA associate will suggest a kitten(s) that best matches your lifestyle and desires when one becomes available. You don't always have to go with your match, but at least you'll know where to start!

Please note that our dedicated foster families are providing us with personality information of our animals during this time. While we do our best to gauge their unique characteristics, it is important for the adopters to continue socialization during this critical point in their behavioral development
