

## CAT Adoption Questionnaire

Date: \_\_\_\_\_

At the East Bay SPCA, we are committed to finding appropriate lifelong homes for shelter animals. We ask adopters to make the same commitment to the animals they adopt. Please take time to answer the questions below so that we can help you adopt the animal best for you. While we always make every effort to work with you to address concerns or find the most appropriate companion animal, we do reserve the right to refuse an adoption. **Adopters must: 1) be at least 18 years of age 2) have legal photo identification 3) be able to have a pet at your address 4) pay the adoption fee**

Is there anything else you would like us to know, or may have concerns about?

\_\_\_\_\_

Our average cost to shelter an animal is \$700—and much more for long-term animals. Since that is more than our adoption fees, we rely on individual donations to close the gap. **Would you like to donate to the East Bay SPCA?**

If Yes, How much? \_\_\_\_\_ *Thank you for your donation to help ensure healthy, happy lives for East Bay animals.*

***I certify that the above information is true and correct to the best of my knowledge. The East Bay SPCA does their best to behaviorally assess every animal and inform me of known behaviors. I understand that animals are not always predictable creatures and will not hold the East Bay SPCA liable for any injuries or damage caused during a meet with an animal.***
