

Dog Adoption Questionnaire

We're dedicated to helping shelter animals find safe, loving homes for life and we ask that our adopters share that same commitment. Your responses help us get to know you better and ensure we match you with the best companion for your lifestyle and home. Our team is always happy to work with you to address questions or concerns. In some cases, we may determine that adoption isn't the best fit at this time. We appreciate your understanding that we reserve the right to decline an adoption when necessary.

Adopters Must:

- Be at least 18 years old
- Provide a valid government-issued photo ID
- Have a valid mailing address
- Pay the adoption fee

I certify that the above information is true and correct to the best of my knowledge. East Bay SPCA does their best to behaviorally assess every animal and inform me of known behaviors. I understand that animals are not always predictable creatures and will not hold East Bay SPCA liable for any injuries or damage caused during a meet with an animal.
